ARTICLE III MEETING OF MEMBERS

3.1 Annual Meetings

Regular annual meetings of the Association shall be held within thirty (30) days of the same day of the same month of each year at a time designated by the Board.

3.2 Special Meetings

Special meetings of the members shall be called at any time by a majority of the Board, or by the president, or upon written request of the Members representing five percent (5%) of the total Voting Power of the Association.

3.3 Notice and Place of Meetings

Written notice of each meeting of the Members shall be given by, or at the direction of, the secretary by mailing a copy of such notice, first class mail, postage prepaid, at least ten (10) but not more than ninety (90) days before such meeting to all Members, addressed to the Member’s address last appearing on the books of the Association, or supplied by such member to the Association for the purpose of notice. Notice pursuant to this Section may also be given to Members by e-mail if authorized by Members on an individual basis, in writing, on a form provided by the Association. Such notice shall specify the place, day and hour of the meeting. Except as otherwise provided by law, Members at special meetings may only act on those matters which have been listed in the meeting’s notice.

If action is proposed to be taken at any meeting for approval for any of the following proposals, the notice shall also state the general nature of the proposal. Member action on such items is invalid unless the notice or written waiver of notice states the general nature of the proposal(s): (a) removing a director without cause; (b) filling vacancies in the Board by the members; (c) amending the Articles; or (d) approving a contract or transaction in which a director has a material financial interest. Meetings shall be held within the Project or at a meeting place within the same County, as close to the Project as possible.

3.4 Quorum Requirements

3.4.1 Quorum Requirements Generally

The quorum requirements set forth below must be satisfied in order to take valid action at any meeting of the Members or by written ballot in accordance with **Section 4.10** of these Bylaws.

3.4.1.1 Quorum for Valid Action on Association Matters

In the case of a membership meeting or written ballot, the quorum shall be thirty-three and one-third percent (33 $\frac{1}{3}$ %) of the Members eligible to vote and represented in person. Ballots received in accordance with **Section 4.4** of these Bylaws shall be treated as a Member present for purposes of establishing a quorum.

3.4.1.2 Reduction in Quorum Percentage for Action on General Matters

If the minimum quorum percentage specified in **Section 3.4.1.1** above is not satisfied, the meeting may be adjourned to another time or place not less than forty-eight (48) hours nor more than thirty (30) days after the initial meeting date, and at the reconvened meeting the quorum percentage shall be reduced to twenty percent (20%) of the Voting Power of the Members. If this reconvened meeting is attended by less than one-third of the Voting Power of the Members (but a quorum is present) the only matters upon which action may validly be taken are those matters the general nature of which were described in the notice of the meeting.

3.4.1.3 Quorum for Votes on Assessment Increases and of Removal of Directors From Office

In the case of any membership meeting or written ballot called or conducted for the purpose of voting on assessment increases requiring Member approval or removal of any

director from office, the quorum requirement for valid action on the proposal shall be the percentage specified in Civil Code Section 5605¹ or comparable superseding statute. That quorum percentage is currently a Majority of a Quorum of Members.

3.4.2 Members Represented by Ballot

Members present at a membership meeting in person or by submission of a ballot shall be counted toward satisfaction of the quorum requirements specified herein.

3.4.3 Effect of Departure of Members From Meeting

The Members present in person at a duly called or duly held meeting at which a quorum is present may continue to transact business until adjournment, notwithstanding the withdrawal of enough Members to leave less than a quorum, so long as any action taken (other than adjournment) is approved by at least a majority of the Members required to constitute a quorum. If a quorum is never established for the meeting, a majority of those Members who are present in person may vote to adjourn the meeting for lack of a quorum, but no other action may be taken or business transacted.

3.5 Parliamentary Procedure

Meetings of the membership of the Association shall be conducted in accordance with a recognized system of parliamentary procedure or such parliamentary procedures as the Association may adopt.

3.6 Adjourned Meeting

3.6.1 Adjournment Generally

Any Members' meeting, annual or special, whether or not a quorum is present, may be adjourned to another place and/or time (but not for more than forty-five (45) days) by the vote of the majority of Members present at the meeting. Unless there is an absence of a quorum (in which case no business other than adjournment may be transacted), the reconvened meeting may take any action that might have been transacted at the original meeting.

¹ Unless otherwise indicated, all Civil Code Section references and Corporations Code Section references are to sections of the California Civil Code and California Corporations Code, respectively.

3.6.2 Notice Requirements for Adjourned Meetings

When a Members' meeting is adjourned to another time or place, notice need not be given of the new meeting if the time and place thereof are announced at the meeting at which the adjournment is taken. Notwithstanding the foregoing, if after adjournment a new record date is fixed for notice or voting, a notice of the rescheduled meeting must be given to each Member who on the record date for notice of the meeting is entitled to vote thereat.

ARTICLE IV VOTING

4.1 Membership and Voting

The Members shall be Owners and shall be entitled to one (1) vote per each Separate Interest. Only Members in good standing as more fully defined in **Section 4.2** below shall be entitled to vote. When more than one (1) person holds an interest in any Separate Interest, all such persons shall be Members. The vote for such Separate Interest shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Separate Interest. The vote of a Majority of a Quorum of Members present, in person, shall decide any question brought before such meeting, unless the question is one upon which, by the express provision of statute or the Declaration, the Articles or these Bylaws, a different vote is required, in which case such express provision shall govern and control.

4.2 Eligibility to Vote

Only Members in good standing shall be entitled to vote on any issue or matter presented to the Members for approval. In order to be in good standing, a Member must be current in the payment of all assessments levied against the Member's property and not be subject to any suspension of voting privileges as a result of any disciplinary proceeding conducted in accordance with **Section 8.5** of these Bylaws, or the Declaration. A Member's voting privileges shall not be suspended until the Member receives written notice of violation of the Governing Documents and has an opportunity to be heard at a hearing before the Board as provided in **Section 8.5** of these Bylaws.

4.3 Proxies

There shall be no proxy voting.

4.4 Secret Ballot Requirements

Notwithstanding any other law or provision of the Governing Documents, the following elections or votes shall be conducted by secret ballot in accordance with the procedures set forth in this Article:

- (A) elections regarding assessments legally requiring a vote,
- (B) election and removal of members of the Board,
- (C) amendments to the Governing Documents,
- (D) the grant of exclusive use of Common Area property, or
- (E) other type of election or vote expressly identified in the rules adopted in accordance with **Section 4.5** of these Bylaws.

Each ballot received by the inspector of elections shall be treated as a Member present at a meeting for purposes of establishing a quorum. Secret ballot votes on other matters are optional.

4.5 Adoption of Election and Meeting Rules

The Association shall adopt rules, in accordance with the procedures prescribed by Civil Code Section 4360, *et seq.*

4.6 Inspectors of Election

The Association shall select an independent third party or parties as an inspector of election. The number of inspectors of election shall be one (1) or three (3). For the purposes of this Section, an independent third party includes, but is not limited to, a volunteer poll worker with the County registrar of voters, a licensee of the California Board of Accountancy, a notary public, or professional manager. An independent third party may be a Member of the Association, but may not be a member of the Board or a candidate for the Board or related to a member of the Board. An independent third party may not be a person, business entity, or subdivision of a business entity, who is currently employed or under contract to the Association for any compensable services unless expressly authorized by rules of the Association adopted pursuant to **Section 4.5**.

An inspector of election shall perform his or her duties impartially, in good faith, to the best of his or her ability, and as expeditiously as is practical. If there are three (3) inspectors of election, the decision or act of a majority shall be effective in all respects as the decision or act of all. Any report made by the inspector or inspectors of election is prima facie evidence of the facts stated in the report.

4.6.1 Powers of Inspectors

The inspector or inspectors of election shall do all of the following:

(A) Determine the number of memberships entitled to vote and the voting power of each.

(B) Receive ballots. The sealed ballots at all times shall be in the custody of the inspector or inspectors of election or at a location designated by the inspector or inspectors until after the tabulation of the vote, at which time custody shall be transferred to the Association.

(C) Hear and determine all challenges and questions in any way arising out of or in connection with the right to vote.

(D) Count and tabulate all votes. All votes shall be counted and tabulated by the inspector or inspectors of election, or his or her designee, in public at a properly noticed open meeting of the Board or Members. Any candidate or other Member of the Association may witness the counting and tabulation of the votes.

(E) Determine when the polls shall close, consistent with the Governing Documents.

(F) Determine the tabulated result of the election. The results of the election shall be promptly reported to the Board of the Association and shall be recorded in the minutes of the next Board Meeting and shall be available for review by Members of the Association.

(G) Perform any acts as may be proper to conduct the election with fairness to all Members in accordance with this Section, the Corporations Code, and all applicable rules of the Association regarding the conduct of the election that are not in conflict with this Section.

4.7 Secret Ballot Procedures

Secret ballots and two (2) preaddressed envelopes with instructions on how to return ballots shall be mailed by first-class mail or delivered by the Association to every Member not less than thirty (30) days prior to the deadline for voting. In order to preserve confidentiality, a voter may not be identified by name, address, or Separate Interest number on the secret ballot. The secret ballot itself is not signed by the voter, but is inserted into an envelope that is sealed. This envelope is inserted into a second envelope that is sealed. In the upper left hand corner of the second envelope, the voter shall sign his or her name, indicate his or her name, and indicate the address or separate interest identifier that entitles him or her to vote, and the second envelope is addressed to the inspector or inspectors of election, who will be tallying the votes. The envelope may be mailed or delivered by hand to a location specified by the inspector or inspectors of election. The Member may request a receipt for delivery.

No person, including a Member or an employee of the management company, shall open or otherwise review any secret ballot prior to the time and place at which the secret ballots are counted and tabulated. The inspector of elections, or his or her designee, may verify the Member's information and signature on the outer envelope prior to the meeting at which secret ballots are tabulated. Once a secret ballot is received by the inspector of elections, it is irrevocable.

4.8 Tabulation of Secret Ballots and Announcement of Results

The secret ballots received prior to the voting deadline shall be counted by the inspector of elections at a properly noticed meeting of Members or Board Meeting. The tabulated results of the election shall be promptly reported to the Board and shall be recorded in the minutes of the next Board Meeting and shall be available for review by Members. Within fifteen (15) days of the election, the Board shall give General Notice of the tabulated results of an election.

4.9 Election and Meeting Materials

The sealed secret ballots at all times shall be in the custody of the inspector or inspectors of election or at a location designated by the inspector or inspectors until after the tabulation of the vote, and until the time allowed by Civil Code Section 5145 for challenging the election has expired, at which time custody shall be transferred to the Association. After the transfer of the ballots to the Association, the ballots shall be stored by the Association in a secure place for no less than one (1) year after the date of the election. If there is a recount or other challenge to the election process, the inspector or inspectors of elections shall, upon written request, make the ballots available for

inspection and review by a Member or his or her authorized representative. In the event of a recount or other challenge to the election process, the Association shall, upon written request, make the ballots available for inspection and review by Association Members or their authorized representatives. Any recount shall be conducted in a manner that shall preserve the confidentiality of the vote.

4.10 Action of Members Without a Membership Meeting

Except when a membership meeting is required under Corporations Code Section 7513(e), an election or vote may be conducted by written mail ballot without a membership meeting. Membership approval by written mail ballot shall be valid only if (i) the number of votes cast by ballot within the time established for return of the ballots equals or exceeds the quorum that would have been required to be present at a membership meeting if such a meeting had been convened to vote on the proposal; and (ii) the number of affirmative votes equals or exceeds the number of affirmative votes that would have been required to approve the action at such a meeting. The time fixed for the return of written mail ballots may be extended twice, for a reasonable period of time as set by the Board, only if the Board so notifies the Members in the balloting solicitation materials originally sent to Members.

ARTICLE V

BOARD OF DIRECTORS; SELECTION; TERM OF OFFICE

5.1 In General

The activities and affairs of this Association shall be administered and overseen by, and the powers of the Association exercised under the direction of a Board of Directors. The Board may delegate the management activities to any management company or managing agent, provided, however, that the activities and affairs of the Association shall be directed, overseen, and managed, and the corporate powers exercised, under the ultimate direction of the Board.

5.2 Number; Qualifications

The affairs of this Association shall be managed by a Board of seven (7) directors, all of whom must be Members of the Association and in good standing. Good standing requires that a director not engage in any of the conduct described in **Section 5.8.2** of these Bylaws or correspond with any of the categories set forth in **Section 5.8.1** of these Bylaws. Joint Owners of a Separate

Interest may not serve on the Board concurrently. Good standing is a qualification for nomination to the Board and continued service thereon.

5.3 Term of Office

The term of office for directors shall be two (2) years. The directors shall serve staggered terms with three (3) or four (4) directors being elected in alternate years. Unless sooner vacated, each director shall hold office until the director's term expires and a successor is elected.

5.4 Removal; Vacancies

Any or all directors may be removed without cause if such removal is approved by the affirmative vote of a Majority of a Quorum of Members, represented and voting at a duly held meeting.

In the event of the death or resignation of a director his or her successor shall be filled by approval of the Board at a duly held meeting or by a sole remaining director, and shall serve for the unexpired term of his or her predecessor. The Members may elect a director at any time to fill any vacancy not filled by the directors. A vacancy created by removal of a director can be filled only by election of the Members.

5.5 Compensation

No director shall receive compensation for any service he or she may render to the Association unless approved by a vote of the membership as provided in Section 5.3 of the Declaration. Any director may be reimbursed for his or her actual expenses, if reasonable, incurred in the performance of his or her duties.

5.6 Indemnification of Officers and Directors

Each director, officer, and committee member shall be indemnified by the Association and the Members against all expenses and liabilities, including attorney's fees, reasonably incurred by or imposed upon him or her by judgment or settlement in connection with any proceeding to which he or she may be a party, or in which he or she may become involved, by reason of his or her being or having been a director, officer, or committee member of the Association, except in cases of fraud, gross negligence or bad faith of the director, officer, or committee member in the performance of his or her duties.

5.7 Resignation of Directors

Except as provided in this paragraph, any director may resign, and such resignation shall be effective on giving written notice to the president, the secretary, or the Board, unless the notice specifies a later time for the resignation to become effective. If the resignation of a director is effective at a future time, the Board may elect a successor to take office when the resignation becomes effective.

5.8 Declaration of Vacancy

In accordance with Corporations Code Section 7221, a majority of the Board may declare vacant the office of any director who fits into any of the categories set forth in this **Section 5.8**. Before the office of a director may be declared vacant, the director who holds the office being declared vacant shall first be given a warning in executive session during the next Board Meeting, provided that a majority of the Board approves such action. If any of the following conduct or actions described in this **Section 5.8** shall occur after the said warning is given, then a majority of the Board may declare said offending director's office vacant.

5.8.1 Director Status

If the director's status falls within any of the following categories:

- (A) is declared of unsound mind by a final order of court;
- (B) is convicted of a felony;
- (C) is found by a final order or judgment of any court to have breached any duty under Corporations Code Sections 7233-7236 (relating to the standard of conduct of directors);
- (D) is an adverse party against the Association in pending litigation;
- (E) falls more than sixty (60) days in arrears in the payment of monthly assessments; or
- (F) has any outstanding fines, penalties or violations.

5.8.2 Director Conduct

If the director engages in any of the following types of behavior or conduct:

(A) receives any type of monetary gain, or other gain such as services, products, gifts or gratuities of a significant value, which have been provided in relation to a directors' service on the Board, and which is not disclosed. Disclosure must take place at an open Board Meeting and be recorded in the minutes. Compensation for services duly approved by the Board and unrelated to duties as a director or officer of the Association, or reimbursement of expenses associated with service to the community do not constitute unethical or detrimental behavior and are permissible;

(B) addresses fellow directors with abusive language in such a manner that causes distress and emotional harm. Abusive language is any language which causes humiliation or intimidation, or inflicts ridicule, coercion, threats or mental abuse, or other language of a punitive nature, or language which is prejudicial or grossly profane.

(C) discloses confidential information obtained in executive session or otherwise to non-Board members;

(D) fails to attend three (3) consecutive regularly scheduled Board Meetings or fails to attend more than six (6) Board Meetings, regular or special, within any twelve (12) month period; or

(E) fails to comply with the Association's Governing Documents, having been provided proper notice and received a due process hearing at which the Board determines that a violation exists.

ARTICLE VI NOMINATION AND ELECTION OF DIRECTORS

6.1 Nomination

Nomination for election to the Board shall be made pursuant to reasonable procedures adopted by the Board from time to time. Provided that the number of candidates on the ballot is less than the number of openings on the Board, nominations may also be made from the floor at the

annual meeting. All candidates shall have reasonable opportunity to communicate their qualifications to Members and to solicit votes.

6.1.1 Board Candidate Qualifications

All candidates for the Board shall meet the membership and good standing qualifications set forth in **Section 4.2** of these Bylaws.

6.2 Election

The election of the Board shall be conducted at the annual meetings of the Association. At such election the Members may cast, with respect to each vacancy, as many votes as they are entitled to exercise under the provisions of the Declaration. The persons receiving the largest number of votes shall be elected. Members shall not be entitled to cumulate their votes. Voting for directors shall be by secret written ballot.

ARTICLE VII MEETINGS OF DIRECTORS

7.1 Annual and Regular Meetings

7.1.1 Annual Meeting of Directors

Immediately following each annual meeting of Members, the Board shall hold a regular Meeting for the purpose of organization, election of officers, and the transaction of other business. Notice of this Board Meeting shall not be required.

7.1.2 Regular Meetings

Ordinarily, regular Board Meetings shall be conducted at least monthly, provided, however, regular Board Meetings can be held as infrequently as every quarter if the Board's business does not justify more frequent meetings. If the Board adopts an annual schedule for the conduct of regular Board Meetings (such as a schedule that calls for regular Board Meetings to be held at a specific time and location on the third Thursday of each month) and that schedule is communicated to all directors at the inception of the year, no further notice of a regular Board Meeting shall be required unless the date, time, or location for a particular regular Board Meeting is changed for any reason, in which case, notice shall be provided to all directors in accordance with **Section 7.4**.

7.2 Special Meetings

Special Board Meetings shall be held when called by written notice signed by the president of the Association, or by any two (2) directors.

7.3 Emergency Meetings

An emergency Board Meeting may be called by the president of the Association, or by any two members of the governing body other than the president, without providing notice to the Members as set forth herein, if there are circumstances that would not have been reasonably foreseen which require immediate attention and possible action by the Board, and which of necessity make it impracticable to provide notice as required herein.

7.4 Notice of Meetings

Notice of the time and place of regular and special Board Meetings shall be provided to Board members in advance of said Board Meetings. Notice of emergency Board Meetings shall be communicated to all directors in such a manner as is reasonable under the circumstances. Members shall be given notice of the time and place of a Board Meeting as defined in **Sections 2.6 and 2.8** herein, except for an emergency Board Meeting or a Board Meeting that will be held solely in executive session, at least four (4) days prior to the Meeting. Except for an emergency Board Meeting, Members shall be given notice of the time and place of a Board Meeting that will be held solely in executive session at least two (2) days prior to the Board Meeting. Notice shall be given by General Notice as defined in **Section 2.6** of these Bylaws, and by Individual Notice as defined in **Section 2.8** of these Bylaws to any Member who had requested notification of Board Meetings by Individual Notice. The notice shall contain the agenda for the Board Meeting.

7.5 Quorum

A majority of the directors then in office, not counting vacancies, shall constitute a quorum for the transaction of business. Every act performed or decision made by a majority of the directors present at a duly held Board Meeting at which a quorum is present shall be regarded as the act of the Board. A Board Meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of directors, if any action taken is approved by a majority of the required quorum for that Board Meeting.

7.6 Executive Session

The Board may hold executive session Board Meetings to discuss and vote upon personnel matters, matters that relate to the formation of contracts with third parties, litigation in which the Association is or may become involved, or to meet with a Member, upon the Member's request, regarding the Member's payment of assessments. In any matter relating to the discipline of a Member, the Board shall meet in executive session if requested by that Member, and he or she shall be entitled to attend the executive session. Any matter discussed in executive session shall be generally noted in the open session minutes of the Board immediately following the Board Meeting.

A Board Meeting may be held by teleconference. A teleconference Board Meeting shall be through audio or video or both. A teleconference Board Meeting shall be conducted in a manner that protects the rights of the Members of the Association and otherwise complies with the requirements of these Bylaws. Except for a Board Meeting that will be held solely in executive session, the notice of the teleconference Board Meeting shall identify at least one (1) physical location so that Members of the Association may attend and at least one (1) member of the Board or a person designated by the Board shall be present at that location. Participation by Board members in a teleconference Board Meeting constitutes presence at that meeting as long as all Board members participating in the Board Meeting are able to hear one another and Members of the Association speaking on matters before the Board.

7.8 Waiver of Notice

The transactions of any Board Meeting, however called and noticed or wherever held, shall be as valid as though taken at a Board Meeting duly held after regular call and notice, if (a) a quorum is present, and (b) either before or after the Board Meeting, each of the directors not present signs a written waiver of notice, a consent to holding the Board Meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the Board Meeting. Notice of a Board Meeting shall also be deemed given to any director who attends the Board Meeting without protesting before or at its commencement about the lack of adequate notice.

7.9 Notice of Adjourned Meeting

Notice of the time and place of holding an adjourned Board Meeting need not be given, unless the Board Meeting is adjourned for more than twenty-four (24) hours, in which case personal notice of the time and place shall be given before the time of the adjourned Board Meeting to the directors who were not present at the time of adjournment, and shall be posted at a prominent place within the Common Area.

The Board shall permit any Member to speak at any meeting of the Members or the Board, except for Board Meetings that are held in executive session under **Section 7.6**, above. 7.12.3 Meeting Agendas; General Restriction of Action to Items on the Agenda

As required by Civil Code Section 4920, any notice of Board Meetings that is required by law to be distributed or made available to the Members under **Section 7.4** must include an agenda for the Board Meeting. Except as provided in subsections (A) through (E) of this **Section 7.12.3** or **Section 7.12.4** below, the Board may not discuss or take action on any item at a non-emergency Board Meeting unless the item was placed on the agenda that was included in the notice

given to the Members. Members who are not on the Board may, however, speak on the issues that are not on the agenda. Notwithstanding the general rule that Board actions must be restricted to items shown on the Board Meeting agenda, a member of the Board, a managing agent or other agent of the Board, or a member of the staff of the Board may do any of the following:

(A) Directors, managing agents, and other agents or staff members of the Board may briefly respond to statements made or questions posed by a person speaking at an open Board Meeting;

Notwithstanding the general rules that Board actions must be restricted to items shown on the Board Meeting agenda, the Board may take action on any Item of Business not appearing on the posted Board Meeting agenda under any of the following conditions:

(A) On a determination made by a majority of the Board present at the Board Meeting that an emergency situation exists. An emergency situation exists if there are circumstances

that could not have been reasonably foreseen by the Board, that require immediate attention and possible action by the Board; and that, of necessity, make it impracticable to provide notice;

(B) On a determination made by the Board by a vote of two-thirds ($\frac{2}{3}$) of the members of the Board who are present at the Board Meeting, or if less than two-thirds ($\frac{2}{3}$) of total membership of the Board is present at the Board Meeting, by a unanimous vote of the Board members present, that there is a need to take immediate action and that the need for action came to the attention of the Board after the agenda for the Board Meeting was posted and distributed to the Members; or

(C) The item appeared on an agenda that was posted and distributed to the Members for a prior Board Meeting that occurred not more than thirty (30) calendar days before the date that action is taken on the item and, at the prior Board Meeting, action on the item was continued to the Board Meeting at which the action is taken. Before discussing any item under this **Section 7.12.4**, the Board shall openly identify the item to the Members in attendance at the Board Meeting.

The notice shall include the reasons the transfer is needed, some of the options for repayment, and whether a special assessment may be considered. If the Board authorizes the transfer, the Board shall issue a written finding, recorded in the Board's minutes, explaining the reasons that the transfer is needed, and describing when and how the moneys will be repaid to the reserve fund. The transferred funds shall be restored to the reserve fund within one (1) year of the date of the initial transfer, except that the Board may, after giving the same notice required for considering a transfer, and, upon making a finding supported by documentation that a temporary delay would be in the best interests of the Association, temporarily delay the restoration. The Board shall exercise prudent fiscal management in maintaining the integrity of the reserve account, and shall, if necessary, levy a Special Assessment to recover the full amount of the

expended funds within the time limits required by this Section. This Special Assessment is subject to the limitation imposed by Civil Code Section 5605. 12.5 Membership Lists

The Association has the right, within ten (10) business days after receiving a demand for inspection and/or copying the Association's membership list, to deliver to the person or persons making the demand a written offer of an alternative method of achieving the purpose identified in the Members' demand without providing access to or a copy of the membership list, itself. In addition, if the Association reasonably believes that the membership information will be used for a purpose other than the purpose stated by the requesting Member(s), or when the Association provides a reasonable alternative to access to the list, the requesting Members may be denied access to the list. Prohibited uses of membership lists are set forth in Corporations Code Section 8338.

12.6 Inspection by Directors

Every director shall have the absolute right at any reasonable time to inspect all books, records and documents of the Association and the physical properties owned or controlled by the Association. The right of inspection by a director includes the right to make extracts and copies of the documents.

12.7 Prohibited Uses of Records

The accounting books and records and the minutes of proceedings of the Association, and any information derived from those books, records, and minutes, may not be sold, used for a commercial purpose, or used for any other purpose that is not reasonably related to the requesting Member(s)' interest as a Member of the Association. Under Civil Code Section 5230 the Association has the right to seek injunctive relief and actual damages for any violation of these restrictions on the use of Association information and records, and, if successful, to obtain an award of its reasonable costs of suit, including reasonable attorney fees.
