

February Board of Directors Meeting

Please come join us at this month's Board of Directors meeting on Thursday, February 20, 2014, in the HOA office inside the pool #2 enclosure. Violations will begin at 6:30 p.m., and the board meeting will be called to order immediately following. If there are no violations on the agenda, the meeting will begin at 6:30 p.m. We hope to see you there!

Receptacle Courtesy

The HOA office has received many complaints from Homeowners stating that others are using their trash and/or recycle containers. Please be courteous and use your own receptacles only. Several homeowners have even reported their trash and/or recycle containers being stolen from the street. The Environmental Services Department, City of San Diego, requests that you do not overload containers. Material must not obstruct lids from closing. Remember a resident who does not remove his/her trash receptacles in a timely fashion (by the following day before 8:00 a.m.) is subject, per HOA policy, to a Trash Can Return fee of \$25.00. If you need to replace a trash can or receptacle, which is an owner responsibility, please call the City of San Diego at 858-694-7000.
Reminder: Blue recycling cans are picked up every other week.

KEEP HOA DUES DOWN

CONSERVE

Let's all work together to keep the water costs down as much as possible.

Playmor Bernardo HOA Staff will be off on Monday, February 17, 2014 in observance of Presidents Day holiday.

Please Note: The holiday WILL NOT interfere with regular trash & recycle pick up.

The holidays were here and now they're gone.

Please remember to take down all holiday decorations and let's get ready for ...
